

THORPE ST ANDREW FC

TEAM SHIRT/KIT SPONSORSHIP

If you, your company or organisation would like to sponsor a team shirt/kit, please get in touch with the individual team coach running the team you are interested in sponsoring, who will advise on upcoming new kit that needs to be purchased and advise on the costs involved. They will also provide details on what is required by the chosen kit supplier, regarding company/organisation logo artwork etc.

Sponsoring a team in this way is a great way of supporting your chosen Thorpe St Andrew FC team and also publicises your company or organisation, this can be achieved from as little as £250 depending on what kit items you actually sponsor.
